Submitted to His Highness.

I submit herewith, for the gracious approval of His Highness, a Final Note by the Home Minister regarding extension by another six months of the term of deputation of Sri C.S. Seshadri, Assistant Commissioner to East Punjab for study work at the Rehabilitation Colony, Nilokheri, Dist. Karnal (East Punjab).

K. Chengalaraya Reddy.
CHIEF MINISTER.

Bangalore,
December 8, 1949.

Final Note by the Home Minister.

Subject.—Extension of the period of deputation of Sri C.S.Seshadri, Assistant Commissioner to East Punjab for studying work at the Rehabilitation Colony, Nilokheri, Distt. Karnal (East Punjab).

"O" Sri C.S. Seshadri, Assistant Commissioner was deputed in April 1949 to East Punjab for a period of six months to work in the Nilokheri Scheme, which is stated to be a pilot scheme for the permanent rehabilitation of refugees. Sri Seshadri was deputed with a view to making use of his experience in the East Punjab, later on in the State in connection with the re-organisation of the Rural Development schemes and the setting up of Multi-purpose Co-operative Societies in the State as these schemes have the same end in view as that of the "Nilokheri Scheme".

"M" During the period of his deputation, he was allowed an arbitrary allowance of Rs.100/- p.m. and also T.A. admissible under the Mysore Service Regulations.

Sri Seshadri's term of deputation expired on 28th November 1949. The Hony. Technical Adviser to the Ministry of Rehabilitation, Government of India, has proposed that the deputation of Sri Seshadri may be extended by another six months on the existing terms, by which period the vital part of the scheme is expected to reach the stage of completion.

"N" The question of extension of the term of Sri Seshadri's deputation was considered at a meeting of the Council held on 30th November 1949 and the following resolution has been recorded:-

"The Council is of opinion that his term may be extended by another six months."

"S" In view of the urgency, the Government of India have been informed by telegram that this Government agrees to the proposed extension of the term of deputation of Sri Seshadri by another six months.

I solicit the gracious approval of His Highness to the resolution of the Council and to the action taken in anticipation of His Highness' approval.

Sir,

Subject:- My deputation to Nilokheri.

I have been informed here that a reference has been made to you by shri S.K. Dey, Hon. Technical Adviser and Jt Secretary,Ministry of Rehabilitation, Government of India, who is in direct charge of the Nilokheri Scheme, requesting for a continuation of the period of my deputation by a further six months period. The period of My deputation ends by the end of this month. I have been asked to await your reply before proceeding back.

I shall be highly grateful if you can kindly let me know the decision of the Government of Mysore in this matter so as to enable me to make arrangements either for further stay or return.

At Nilokheri, I have had a lot of opportunity to work and study in several spheres of social work. I have worked as the Director of the Welfare Division of this township and also as the Administrative Officer for a short period. I have had the opportunity of meeting several leaders of thought. I believe that I have been able to make some small contribution in the implementation of this scheme. The fact, that, among the States and Provinces in India, Mysore alone had a representative worker here, was well appreciated and I was given the utmost fecilities to work in and to study the scheme.

As regards the continuation of my deputation, I was asked whether I was willing to stay here for a further period of Six months.It was difficult for me to give any definite answer for several reasons.My stay here, for one thing, was up to the Government Of Mysore to decide and I didnot want to prejudice the issue. The life here is extremely hard and I have experienced great difficulty ~~to arrange for~~

stay.
in arranging for my family [illegible]. It has been very expensive to maintain myself here and my family back home. At the same time, I found here an extensive field for work and study and I feel that my stay here will be definitely useful for me in my service at Mysore and will help me a great deal in my work, and a further period of work here will certainly give me an opportunity to get a complete picture of the scheme and also excellant training, in Social and welfare work. Under instructions, we have just now formed an adult education Society and a vigourous drive has been launched.

I shall be highly grateful if you can kindly intimate me with the decision of the Government, early.

yours faithfully,
